

# VITANICA® ~ V-FRESH™

This unique new homeopathic suppository relieves undesired vaginal odor. Formulated by Dr. Tori Hudson with gentle and naturally safe homeopathic ingredients, encouraging the body's own response towards homeostasis.

There is no scientific evidence that the product works and the product's claims are based only on theories of homeopathy from the 1700s that are not accepted by most modern medical experts.

## Featured Ingredients:

- Unique homeopathic combination specific for treating symptoms of undesired vaginal odor: **Carbolicum acidum, Hepar sulphuris calcareum, Kali phosphoricum, Kreosotum, Secale cornutum, Sepia**
- Short 6 night protocol relieves symptoms, may be repeated if needed; full instructions are on packaging
- This formula is a result of Dr. Hudson's research and clinical usage of homeopathic medicine as it relates to vaginal health

**Indications:** Relieves undesired vaginal odor, naturally and safely with a unique homeopathic vaginal suppository tablet.

**Suggested Use:** Insert 1 suppository vaginally for 6 nights; can be repeated if needed. Full instructions are included with the packaging.

Size ~ 6 suppository tablets; Item code ~ 7-08118-02337-8
